Equal Opportunity provider and employer

Provider Update

We are happy to introduce you to our new provider: Ron Hamm, Physician Assistant. Ron graduated from the University of Washington Physician Assistant Program. He has been a PA for 15 years. Ron and his wife Kim have moved to WSS from Idaho.

Tina Barker, FNP, from Livingston, graciously filled in a couple of days in August. We have had great reviews and hope to work out a regular schedule for her to be at MMC.

Please give them a warm welcome!

- Ophthalmology – November 11
Dr. Berbos
- Community Wellness:
October, November, December
(dates to be determined)

MMC Audit

MMC had its annual end of year audit this month. Two auditors from Galusha, Higgins & Galusha were on site for a week compiling information from the last fiscal year, ending June 30. From the information gathered, they will prepare numerous reports for various financial purposes.

Audits are done on a routine basis to ensure accuracy and compliance, as well as provide information necessary for the completion of Medicare & Medicaid cost reporting.

The final reports will be presented to the MMC Board of Directors for their review.

HAVE A SAFE AND HAPPY LABOR DAY!

Appreciation & Welcome BBQ

MMC Hospital Guild and CORE (Caring Organization Recognizing Employee's) are sponsoring a barbeque in appreciation of all MMC employee's (with special recognition of Brett Williams for holding down the fort) and to help the community welcome Ron Hamm and Tina Barker. The barbeque will be held on Tuesday, September 14th from 5-7 p.m. at the city park. Please join us, everyone is welcome.

Director of Nursing

Pearl Dalgarno, RN has been selected as the Director of Nursing at MMC. Pearl has been a nurse at MMC for 4 years. She will continue to work occasionally on the floor as a house supervisor. Pearl grew up and attended school in WSS. She received her nursing education from Miles Community College. We appreciate Pearl's willingness to step up and take over this very important role.

Unannounced Survey

The Department of Health and Human Services sent a healthcare facility surveyor to perform an unannounced on-site complaint investigation on August 18th. The facility was found to be in complete compliance in all aspects including Emergency Services, Staffing and Staff Responsibilities, Provision of Services, and Resident Rights with "no deficiencies".

We are extremely proud of our staff for their continued excellence and a job well done.

Sports Physicals

We would like to thank Scott Meissner, PA-C, for coming to MMC two days in July to complete the majority of sports physicals needed by the young athletes in WSS.

GO HORNETS!!!!!!
